**CAROLINA FOREST ELEMENTARY – Field Trip / School Activities / PTO Activities Permission Slip**

During the school year, students from Carolina Forest Elementary may participate in various field trips and school/PTO activities. To alleviate the problems associated with obtaining signed permission forms for each field trip, we are asking parents/guardians to sign one form, granting permission for field trips for the school year. Teachers will send notifications of any trip and fees due home by the student. Parents will be notified in advance of any field trip. **If fees are not paid before the deadline payment date of the trip, the student may not be able to attend.** Out of district, overnight or out of state trips will require an additional permission slip.

**Parent Permission:** I give permission for my child to participate in school-sponsored field trips, school activities, and PTO activities. I understand that my child at times may be away from school. Teachers and chaperones will exercise normal and prudent supervision, and that neither Horry County Schools, Carolina Forest Elementary School, Carolina Forest Elementary PTO, nor the teachers and chaperones accompanying the class will be held responsible for accident or injury outside their control. My child and I understand that all rules and policies of the school and district apply during field trips, school activities, and PTO activities.

- My child and I agree to the statements listed above.
