

CELL PHONE POLICY

Cellular phones are allowed during transition and lunches. Cell phone use is allowed in the classroom for instructional purposes as the teacher deems necessary. Consequences will be assigned for cell phone violations that occur during non-transitional time and without teacher's permission. Any device that is disruptive to the instructional process may be confiscated. Teachers and administrators will confiscate such devices and hold them until a parent comes for them.

The CHS Administration recommends that no items of value be brought to school. If these devices are lost or stolen, the school will not be responsible for them.

Confiscated items will be returned to parents between
7:40 - 8:10 AM or 3:30 - 4:15 PM
due to administrative duties.
