

### **College Class Access Code Policy**

I understand that by receiving an Access Code for a college class, I am responsible for it while it is in my possession. Should it become lost, stolen, damaged, or I choose to withdraw from the course and the access code has been activated, I am responsible for the replacement fee. This fee ranges from \$75.00 - \$350.00 depending on the course. Prices are subject to change based on the HGTC bookstore price list.
