Bus Conduct Policy

To assure safety on school buses, it is essential that students and parents recognize the necessity for all bus riders to cooperate fully with the bus driver and to observe the rules that they remain seated on buses and conduct themselves in an orderly manner. The bus driver has responsibility for supervision of students in the bus. He/she may stop the bus at any time misbehavior or threatening behavior offers a hazard to safe driving. A student who creates a disturbance shall be reported to his/her school principal. Appropriate disciplinary action shall be taken. (Regulation JKD-R, 6/21/99). The following regulations govern the conduct of students and other passengers on school buses serving Horry County Schools. The bus driver shall assure that his/her passengers abide by them. Parents should not try to solve disagreements with drivers or students at school bus stops. Please contact the local bus supervisor at 843-390-6822.

Video cameras:

Students on a school bus are subject to being videotaped at any time in order to promote safety. The tapes may be used by administration in taking disciplinary or other appropriate action against the students.

Transportation Changes:

A written parent request should be given to the school secretary by 12pm. No transportation changes will be accepted by phone. The secretary will call the parent to confirm the note and will write a rider verification note for the student. Due to bus overcrowding, a change of bus to ride home with a friend may not always be permitted. Transportation change requests that cannot be verified or that are not turned in on time, will not be accepted.

Sanctions for bus conduct violations include, but are not limited to:

- A. First offense-warning and parent conference.
- B. Second offense-suspension from bus for up to five (5) school days.
- C. Third offense-suspension from bus for up to ten (10) school days.
- D. Fourth offense-suspension from bus for up to fifteen (15) school days.
- E. Fifth offense-loss of bus riding privileges for the remainder of the year.

Please note:

- If the bus supervisor and/or principal determine that a student's behavior on the bus poses a direct and serious threat to the safety of himself/herself or others on or off the bus, the student will lose his/her bus riding privileges for the remainder of the school year. (Regulation JKD-R, 6/21/99).
- Because the bus and bus stop are an extension of the school, any other misconduct will result in the same disciplinary action that would be issued if the student was in the school building. For serious offenses, suspension and or an evidentiary hearing may be appropriate.
- Suspension from the bus is NOT suspension from school. The student is expected to use an alternative means of transportation to come to school and return home.
