Providing Timely Responses for Parent Suggestions

1. The Myrtle Beach Middle school newsletter is sent home each week via email. Included in each newsletter is a solicitation for feedback to be given to the school administration and for parents to complete the online Title I survey.
2. Parents may contact the administrator by email, phone or in writing with suggestions or comments.
3. Teachers are encouraged to share any comments or concerns from parents or community members with the school administrators.
4. Links are provided on the school website to provide easy access for parents and community members who are interested in sharing comments or concerns with school administration.
5. Phone calls to the school by parents are returned within 24 hours.
6. Forms are included in the Title I binder for parents/community members to provide feedback/suggestions. The form indicates that school administration will be in contact within 24 hours.
