

# Myrtle Beach Middle School Seahawks

*Our mission is to inspire enthusiasm for education, foster integrity in daily living, and promote a vision for personal success.*

## School Discipline Plan

All children can behave appropriately and those who choose to do so experience greater confidence and academic success. Each classroom teacher implements the school discipline plan. In addition, our school operates on four guiding rules.

Guiding Principles:

1. Respect self – follow the dress code, complete all work, and establish high goals.
2. Respect others - physically and verbally.
3. Respect our building - keep food in the cafeteria and gum out of our school.
4. Respect our time – cell phones off and away 7:50 – 3:30 and work hard to learn.

Incentives are offered regularly in the form of Hawk Cards. These can be spent in the school store, the Hawks' Nest, or entered into monthly drawings. Further, students may participate in special events, such as pep rallies, assemblies, and dances for having all work completed on time and no discipline referrals.
