

Dress Code

Choose wisely when shopping for school clothes.

Students with parent guidance have the responsibility for dressing in an appropriate manner while on campus or when involved in school activities, including dances, study trips, and athletic events. Dress should not affect or distract the educational process. In the event the administration determines a student's dress is inappropriate in accordance with this policy, the administration will require the student to change. When the student needs to be sent home to change and the parent cannot be reached, the student may remain in ISS the remainder of the day or until a parent can be reached.
