

Cell Phones

Cell Phones, Pagers, and Other Electronic Devices Students may not use cell phones, iPods, cameras, handheld games, or other electronic devices to interfere with instruction or school activities, or send inappropriate messages, recordings, broadcasts, or images. All of the above mentioned equipment must be turned off and be out of sight while at school. The use of these devices is restricted to before and after school hours. Principals may waive portions of the above restrictions with appropriate district administrator approval. However, devices are never to be used in any area in which an individual has a reasonable expectation of privacy including, but not limited to, restrooms, locker rooms, and showers. In the event of a violation, school personnel are authorized to take the device from the student but will return the device to the parent/guardian. The school or District assumes no responsibility for any damaged, lost, or stolen devices. Adopted: 7-1-11; 7-1-14
