Bus Behavior Form

It is our goal at Ocean Drive Elementary that every student has a safe ride to and from school. In order to create a safe bus environment, certain behavioral expectations (outlined in Horry County School's Parent and Student Handbook) must be met by students. Please review the following bus safety expectations with your student and sign the attached form. Parental support and cooperation are needed as we work together to provide safe transportation for all students.

While riding the bus, the student will:

- Walk to assigned seat without crowding or pushing.
- Remain seated (back to back, bottom to bottom, book bay in lap) while the bus is moving.
- Keep aisles and stairwells clear.

A student may be suspended from riding the school bus for misconduct upon receipt of a disciplinary referral from the bus driver or bus supervisor. Below are the actions taken when a referral is received:

1st offense: Warning, review bus procedures with an administrator, and/or bus suspension.

2nd offense: Possible suspension of bus privileges for 1-4 school days.

3rd offense: Possible suspension of bus privileges for 5-9 school days.

4th offense: Possible suspension of bus privileges for 10-29 school days

5th offense: Possible suspension of bus privileges for 30 days or remainder of school year.

6th offense: Possible suspension of bus privileges for remainder of school year.

These guidelines may be adjusted based on the seriousness of the offense. If the bus supervisor and principal determine that the offense poses a direct and serious threat to students or others on the bus, the student may be suspended from riding the bus for the remainder of the year.
