DISCIPLINE POLICIES: DEVICE POLICY

The use of instructional technology in the classroom serves to enhance and transform students' learning. In order for students to meaningfully participate, engage, and work in our classes, it is imperative that each student bring his/her device, ***charged***, each day to class, and that students are not off-task when using their devices. If students do not bring their ***charged*** device to class each day, or are off-task after redirection, the following consequences will result:

1st Offense	Warning
2nd Offense	Teacher calls parent/guardian
3rd Offense	Referral to Administrator – 1 hour After School Detention
4th Offense	Referral to Administrator – 1 day ISS

WITHDRAWING/LEAVING SOCASTEE HIGH SCHOOL

When a student withdraws from Socastee High, either to move to another school outside of Horry County Schools, transfer to another Horry County School, or due to non-attendance, the student or parent must return the school assigned device and charger to the school. The student or parent is to return the equipment to the school's Technology Coordinator in the same issued condition to avoid any damage fees.

Should a student fail to return a device after leaving school, the parent will receive an email from either the Technology Coordinator or an Administrator with a stated return by date for the return of the equipment and the subsequent billing amount for replacement of the device should it not be returned.   After a significant amount of time, if the device still has not been returned or the replacement fee has not been paid, and there has been no successful communication with the parent or student, the school and /or school district has the option to report the device as stolen property.

I acknowledge that I have read and understand the above Device Policy and that this policy is in addition to Horry County Schools' Technology Device policies.
